

15.10.21

Hello!

Big Stars have loved learning about the story 'Scoot' this week. They particularly enjoyed bringing their scooters in for a race around the big playground. Little Stars have loved learning about the story 'Dear Zoo'. They have particularly enjoyed exploring scissors to make their own lions. Next week Big Stars will be focusing on the book 'Emergency' and Little Stars will be focusing on 'Autumn'.

In Little Stars we will be...

- Building our co-ordination by using 1 handed tools to explore pumpkins – I wonder if we can scoop the inside out?
- Exploring Autumn through an Autumn sensory tray – I wonder what we can find?
- Going on an Autumn hunt on the field – I wonder what we will find?

Our Big Stars table top activities this week are...

- Continuing to explore 'same' and 'different' through sorting a variety of counting resources – I wonder how many different ways we can sort them?
- Practising our skills of creating closed shapes with continuous lines to paint our own emergency vehicles – I wonder what emergency vehicle we will paint?

Home learning ideas

I wonder if you can practise exploring the language of same and different at home? Maybe you can match 2 socks together or find 2 cups the same? Or find 2 bricks that are different? Don't forget to talk about why they are the same or different.

Word Aware

Each week we are focusing on 2 new words. These words are 'Goldilocks' words as they are just right. Over the week we are going to be using these words in Nursery.

Next week

Big Stars words are: Helmet and siren

Little Stars words are: Autumn and conker

Please help your child to explore these words at home.
