

# SHINING STARS NURSERY

Hello..

We have had a fantastic first week or so back in Nursery and have loved seeing all our nursery children's smiling faces each session! We would also like to welcome our Spring intake of Little Stars who are settling in very well! Next week we are focusing on weather and the story 'The Little Raindrop.'

We are missing some of our nursery children who are not with us at the moment and we hope to see you all very soon. If your child is not in nursery you could have a go at some of our Nursery activities with your child at home. You could also try our home learning ideas at the bottom of this page to support your child's learning during this time. We would love to see any of your child's learning activities on Tapestry. Rest assured a member of the team will respond to your entry but please note this may not be as quick as during our whole Nursery closure as all of our team are working fulltime in the Nursery setting!

Best wishes, Miss Barron & Mrs Dave

## Our Big Stars group activities this week are...

- Sorting clothes into the different types of weather we wear them in.
- Making a rain gauge – I wonder how much rain we will collect?
- Talking about the weather and what happens in different types of weather and seasons.

## Our Big Stars table top activities this week are...

- Using tweezers to put pompoms and buttons on our rainbows.
- Drawing a picture of where we think the Little Raindrop might go on its next adventure.
- Making our own rainy pictures using sponges.

Look at  
our  
fantastic  
learning!

## Home Learning Ideas

To listen to our story please follow the link  
<https://watch.vooks.com/videos/little-rain-drop>

Can you describe the weather each day? Maybe you could make some weather symbols to match.

## In Little Stars we will be...

- Making our own rainbows using collage material.
- Learning our friend's names.
- Practising our cutting skills using cutting sheets and cutting different materials.
