

23.04.21

Hello..

We hope you all had a lovely half term, we have loved hearing about all the things you have been up to. We have also been supporting our new intake of Little Stars to settle in, they are all doing very well for their first week. We are continuing our new summer topic on Japan. This week we will be focusing on our pets and the story 'Wabi Sabi'.

Miss Barron & Mrs Dave

Our Big Stars group activities this week are...

- Playing Kim's game with pet themed objects
- Exploring moving like different animals
- Talking about what pets we own and counting how many friends own the same type of pet

Our Big Stars table top activities this week are...

- Using our busy fingers to unwrap the animals from cello tape and elastic bands.
- Painting our own pets or a pet we would like to own
- Exploring taking care of 'pets' in the role play – I wonder what our pets need for us to look after them?

Home learning ideas

Why not ask your friends or family what pet they have at home? Count how many of each animal there is, which animal is the most popular?

Why not draw a picture of your pet or a pet you would like? Big Stars - Why not try using your phonics to write what type of animal it is e.g. cat

In Little Stars we will be....

- Playing games to learn our friends' names
- Talking about our pets at home
- Exploring taking care of 'pets' in the role play, I wonder which pet will be our favourite?
