

26.02.21

Hello.

We hope you all had a restful half term and didn't eat too many pancakes! This week we are learning about ducks and focusing on the story 'I'm a Duck'. For our children who are continuing to stay at home, Mrs Piercy has loved seeing some of you on Zoom and we have loved seeing your photos on Tapestry.

Miss Barron & Mrs Dave

Our Big Stars group activities this week are...

- Making our very own duck to swim in a 'pond'
- Learning about the life cycle of a duck – I wonder what a baby duck is called?
- Going on a number hunt to find the numbered ducks – I wonder if we could put them in the correct order?

Our Big Stars table top activities this week are...

- Learning to play a game to see whose duck will reach the other side of the 'pond' the quickest – I wonder who will win?
- Making our own ducks using playdough – I wonder what we will use for the duck's feathers?
- Creating our own ducks using PVA glue and coloured salt – I wonder if we can use our pinchy fingers to sprinkle the salt on the glue?

Home learning ideas

I wonder if you can make your own duck using salt dough?

In Little Stars we will be...

- Mark making in sensory bags – I wonder what will be inside?
- Playing a game using bricks and a dice – I wonder who will have the biggest tower?
- Printing duck feet with potatoes
