

Hello!

02.07.21

Well done everyone for your plant pots gardens they look amazing! We know you have worked really hard on them at home and they look great around the nursery outdoor area. This week we will be focusing on Sports and practicing for our Big Star 'Mini Olympics'. We will be exploring lots of different sports and talking about any sports the children participate in at home.

Our Big Stars group activities this week are...

We will be practicing for our 'Mini Olympics' this week....

- Balancing beanbags on our heads
- Jumping in a sack for a sack race
- Running for our running race
- Careful walking for our egg and spoon race
- Jumping over hurdles

Our Big Stars table top activities this week are...

- Making our own medals – I wonder what shapes we will use for our medals?
- Making our own name flags – I wonder if we can write a recognisable letter for each letter in our names?
- Outside we will have a throwing game involving bean bags and targets – I wonder how far we can throw the beanbag?

Home learning ideas

- Why not make your own obstacle course in the garden or at the park? I wonder how many different ways you can move around the course?

In Little Stars we will be...

- Exploring some of the 'Mini Olympics' activities
- Making paper chains – I wonder if we can roll the paper to stick it together?
