

Hello!

07.05.21

We have loved learning about food this week and talking about our favourite foods and we have particularly enjoyed tasting different fruits! In Big Stars we tried really hard to describe what the fruit was like, using our senses. Next week we will be focusing on sushi and looking again at the book 'I live in Tokyo'.

Miss Barron and Mrs Dave.

## Our Big Stars group activities this week are...

- Exploring the role play sushi bar – I wonder what we will order?
- Practising writing our names – If we can already do this we will be practicing other letters not in our names and the correct formation

## Our Big Stars table top activities this week are...

- Exploring 10s frames to work on our instant recognition of totals of numbers within 10
- Using playdough to make our own 'sushi'
- Exploring making our own 'sushi' plate at the creative table

## Home learning ideas

Play 'Follow-the-Leader' with your family. One person chooses some body percussion, such as patting their knees, clapping their hands or clicking their fingers, and the rest of the family have to copy them. Take turns to be the leader. As a challenge why not make a pattern with the actions?

## In Little Stars we will be...

- Exploring our new additions to the role play area
- Using tweezers to pick up and move teddy bears into their new homes
- Practising our cutting skills – this is something we are very interested in at the moment
