

Hello!

Another busy week has flown past! Some of our Big Stars have been to visit Miss Davies and Miss Barker, their WFIS Reception teachers, while others have been to visit their teachers at their new schools. Next week we are going to be talking more about going to Reception, moving up to Big Stars or staying in Little Stars. We will be talking a lot about how we feel about the transition. Little Stars will also be able to have a visit into Silver stars classroom and say 'hello' to some of the Silver Stars team!

## Big Stars parents don't forget...

**Tuesday 13th July** - 'Mini Olympics' - can you please ensure your child is dressed appropriately e.g. shorts/trousers and trainers. **Big Stars parents** are invited from **11.15 -11.45** to watch our celebration ceremony and to hear the children sing their leavers songs.

**BOOKBAGS will not be needed on this day.**

## Our Big Stars table top activities this week are...

- Using crayons and oil pastels to draw a self portrait – I wonder what colour eyes you have?
- Role playing in our school role play – I wonder who will be the teacher?
- Making our own name bubbles – I wonder if we can cut out each circle in which to write a letter from our name?

## Home learning ideas

- Why not talk to your child about going to Reception/Big Stars? Maybe they could draw a picture for their new teacher?

## In Little Stars we will be...

- Exploring a song basket to sing our favourite Nursery rhymes – I wonder which one we will choose?
- Practising our cutting skills by cutting out different shapes – I wonder if we can cut along the lines?
