

19.11.21

Big Stars have loved learning about the story 'Tap Tap Bang Bang' this week. They have particularly enjoyed using the nuts and bolts. **Little Stars** have loved joining in with **World Nursery Rhyme Week**. They have particularly enjoyed singing lots of Nursery Rhymes and using the playdough to make their own Incy Wincy spiders. Next week **Big Stars** will be focusing on the story 'The Three Little Pigs'. **Little Stars** will be focusing on the story 'Tip, Tip, Dig, Dig', a class favourite!

In Little Stars we will be...

- Using our fine motor skills to explore rolling patterned rolling pins in playdough.
- Exploring the word 'roll' in context by rolling cars and rollers in paint.
- Continuing to practice building towers using small wooden bricks, before we knock them down!

Our key words are 'roll' and 'mix'.

In Big Stars we will be...

- Practicing our story vocabulary to retell the story of 'The 3 Little Pigs'.
- Practicing our fine motor skills to cut out shapes to make our own houses for the 3 little pigs.
- Continuing to practice drawing continuous shapes by drawing houses for the 3 little pigs and decorating them.

Our key words are 'first' and 'second'.

Home learning ideas

Big Stars: Why not have a go at drawing your own 3 little pigs and retelling the story using some of our story language 'once upon a time', 'next', 'then', as well as repeated phrases from the story.

Little Stars: I wonder if you can practice using the word roll at home?
Can you find anything else that rolls?

Big Stars
