

Hello!

21.05.21

We had a lovely week learning all about Koi Carp and why they are special in Japanese culture. This week we are learning about the Japanese children's festival. We will be having a special party on Thursday 27th May 2021 to celebrate, so you can come to Nursery dressed in your favourite party clothes and or traditional dress. Please remember that your child is still at Nursery so may get messy! Don't forget it is an inset day on Friday 28th May 2021 and half term 31st May – 4th June 2021. We look forward to seeing you all back on 7th June 2021.

Miss Barron and Mrs Dave

Our Big Stars group activities this week are...

- Making our own sandwiches for our special party on Thursday. We will be making these on Thursday morning.
- Drawing pictures of our families – I wonder who is in your family?

Our Big Stars table top activities this week are...

- Continuing our work on identifying initial sounds in words by matching the correct picture with the initial sound.
- Threading Kimonos – I wonder if we can thread around the outside of the Kimono?

Home learning ideas

Why not try making your own Koi Carp flags to represent different members of your family?
I wonder how many you would need?

In Little Stars we will be...

- Making party hats to wear to our party – I wonder if we can cut the paper to make a zig zag?
- Exploring messy play – I wonder what it feels like?
